10 Worst Beverages You Can Drink - Worst Has 2,010 Calories - AOL Health

Find out if your favorite beverage made the top 10 unhealthiest drinks. And find out just how many calories are in McDonald's chocolate milkshakes.

These beverages are--without exception--delicious. Some are creamy and thick. Some will chill you on a hot summer day. Others will warm you from the inside out. So what's not to love? All of them are really, really bad for you.
